Ann Boyd

By Will N. Harben, Author of "Abner Daniel," etc.

Mr. Harben's new book has struck the country like a storm. The first large edition was exhausted on publication day.

The New York World says: "Mr. Harben has made Northern Georgia classic," Hon. Thomas E. Watson, writing from Georgia, says: "I took up the book after supper and never laid it down till the last page was read. It is marvelous! Ann is a creation, vivid and powerful, and yet she is absolutely true to life. The story is right down on the ground of actualities, and yet it thrills one with its throb of human passion. It is far and away the best novel the author has written."

"Another Southern man who has won success at the North."
